

THE DREAM

Daniel 2:1-31

The dream and threat. 1-13

Nebuchadnezzar had dreams; apparently the same dream reoccurred.

He gathered all the staff of specialists in dream interpretation who claimed supernatural abilities to interpret dreams.

If they could tell him the dream it would assure their interpretation to be true.

The response and prayer. 14-18

What did Daniel do when informed of his pending execution? He asked a prudent, discreet, question.

He got his 3 friends to pray, fervent prayers, seeking God's mercy.

They prayed specific prayers not to be put to death and that God would reveal the dream to Daniel.

Humble, fervent prayer, precedes victorious answer to prayer.

The thanksgiving and praise. 19-31

Only God could do this, and He did!

What is one difference between a vision and a dream? A vision occurs in wakeful moments while a dream happens when one is asleep.

Daniel blesses God and gives him thanks. Phil. 4:6-7

God knows everything. Ps. 139:1-4

God gives can give wisdom. Jas. 1:5

Daniel gives glory to God instead of leveraging for personal position.

God knows everything and is in control. Trust Him!
